

ALASKAN KLEE KAI HEALTH INCIDENT REPORT FORM

The Health/Medical Research Committee has been working to develop a user friendly Health Incident Report Form. We hope this will make it easier for everyone to report and share any health issues our dogs develop. This will also help us educate our veterinarians to the specific problems they may see in our dogs.

The forms and an example is available at:

http://www.akkaoa.org/PDF_Files/HEALTH-INCIDENT-REPORT-FORM-EXAMPLE.pdf

The committee would appreciate any suggestions to make it better.

Carolyn Zinsser, Acting Chair

Alicia Adams ~ Lo Binkley ~ Julie Borst-Reed ~ Fran Morano ~ Patricia Zengel
