

Many of us do on-line shopping so why not earn a little bit for AKKAOA? The Fundraising Committee would like to encourage all members to sign up for the iGive program (igive.com). You won't pay any more for your items but all of the many participating merchants offer to donate small percentages of sales to your favorite cause.

The participating merchants are listed on iGive.com. Just click on The Mall at the top of their page and you will see an entire list of well known merchants who are participating in this program. When you want to buy something, go to iGive and order through their website directly from the store. You won't pay a penny more but if you designate AKKAOA as your recipient, the merchant will send the money directly to AKKAOA's Secretary.

When you register, list Alaskan Klee Kai Association of America, Inc. as your favorite cause. Actually it is already on there but you need to designate it as YOUR favorite cause. We've already started to earned money through purchases made by Board members. So how about adding yours? Be sure and check out iGive.com and sign up today!

This is also a great way to buy and send donations for AKKAOA's shows, picnics and other events. You can place your orders and have them shipped directly to whoever is collecting the donated gifts, awards or prizes and AKKAOA will earn a little too!
